Sydenham High St Road Improvements

Ian Plowrights email detailing proposed lane widths for the development were noted and it was decided that any further discussion should wait until all those with a high interest in the scheme were present.

Next Year's AGM

John has booked the venue at Lewisham Town Hall for February 18th and has designed a flier to go out with London Cyclist.
Ian to email him a Lewisham Cyclists logo.

Meeting Venue

John suggested targeting the meeting venue at an area with a large geographical representation of LCC members.

It was thought that moving the meeting around the borough to different venues would be a bad idea as it would cause confusion as to where the meeting was.

Paul said he would advertise the meeting in London Cyclist .

Discussion on the meeting venue would remain open.

Christmas party

Paul would get in touch with Anthony and email details of the party to the group.

Next meeting Wednesday December 17th, 7:30 pm – Dog and Bell, Prince Street, London SE8 3JD.
