Minutes taken by: Jane Davis

People's Day

Paul Taylor reported that arrangements for this already begun- Saturday July 11th is the date. We will be requesting pitch near bike parking and Safer Neighbourhoods are offering to run security for bike park (in old tennis court). The Metropolitan Police is also offering its HGV awareness "roadshow" to be alongside us. The council organisers are requesting £35 as payment for pitch. Meeting agreed that as this has never been paid in previous years, PT will query, but we will pay if council insists.

PT

Manor House Gardens Event

Katie Collis has been organising this. We will have stand and Dr Bike booked for this event on 2nd May. However, Jane Davis pointed out importance of advertising the Dr Bike otherwise the money can be wasted. At previous events, Dr Bikes are well used if the public knows they will be at an event. KC and JD to discuss issue separately.

KC and

Bike and Kite

Lewisham and Greenwich groups will jointly run the LCC staff over the two days. Tom will arrange shifts.

TC

Greenwich Park

Tom brought to meeting's attention the fact that the bike paths in the park are being reviewed at the moment.

Treasurer's Report

The group is awaiting the deposit of around £150 for participation in Freewheel last year. At the moment we have £1,300 approximately in the account.

The new signatories agreed at the AGM will be put on hold until the LCC has transferred banking arrangements to a new bank(Unity Trust Bank) to avoid the problem of new signatories having to register twice with different banks in the same year.
